REMARKS

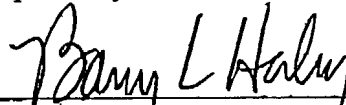

The Applicant appreciates the Examiner's availability for an interview on September 11, 2003. Pursuant to the Examiner's comments, the original claims 1 through 10 have all been cancelled, and new claims 11 through 14 are submitted. As discussed in the interview, claim 4 was inadvertently cancelled. New claim 14 incorporates the language of that claim and is submitted herein. Pursuant to the Examiner's comments during the interview, Applicant has revised the claim language and paragraph spacing in the new claims in the interest of clarity of examination.

In the Office Action dated March 26, 2003, the Examiner made an obviousness type double patenting rejection. Applicant herein submits a terminal disclaimer for U. S. Patent No. 6,265,084 which overcomes the Examiner's rejection.

It is believed that new claims 11 through 14 are allowable over the art of record.

If there are any additional charges, including extension of time, please bill our Deposit Account No. 13-1130.

Respectfully submitted,
